

Mackenzie FuturePath Portfolios

For investors building wealth.

FuturePath Portfolios are designed for individuals or families who are still saving and want a simple, all-in-one investment solution. Investors are aligned to portfolios based on their goals, time horizon and comfort with risk, with professional managers overseeing the day-to-day investment decisions.

Diversified. Active. World-class.

Best suited for investors who:

- Are still working and adding money regularly.
- Want long-term growth for retirement or other future goals.
- Prefer a simple managed solution instead of choosing investments on their own.
- Need help staying invested through market ups and downs.
