Purchasers' Statutory Rights

Securities legislation in some provinces gives securityholders the right to withdraw from an agreement to buy securities of a mutual fund within two business days of receiving the simplified prospectus or Fund Facts, or to cancel a purchase within forty-eight hours of receiving confirmation of an order.

Securities legislation in some provinces and territories also allows securityholders to cancel an agreement to buy securities of a mutual fund or to get their money back, or to make a claim for damages, if the simplified prospectus, annual information form, Fund Facts or financial statements misrepresent any facts about the fund. These rights must usually be exercised within certain time limits.

For more information, securityholders should refer to the securities legislation of their provinces or territory or consult a lawyer.
