3. Purpose: We will hold transfers accepted by us for your Plan, investments made with those amounts and any income and capital gains realized in respect of those investments in trust for the purposes of providing you with a pension in accordance with the Tax Act and pension legislation. The assets of your Plan may not be withdrawn, commuted or surrendered except as permitted by the Tax Act and pension law.

4. Transfers to your Plan: The only assets that may be transferred to your Plan are assets transferred directly or indirectly from an RPP a LIRA Locked-in RSP, a RLSF, permitted pension legislation, a LIF, RLIF, PRRIF or LRIF, or another source permitted by the Tax Act and pension legislation from time to time. We will not accept any amount transferred to your Plan: (a) from a source or in circumstances not permitted by the Tax Act and pension legislation; or (b) in circumstances that would require us to begin making payments from your Plan contrary to pension legislation. For example, where Saskatchewan pension legislation governs your Plan, we will not accept any amount transferred to your Plan unless: (a) you are at least 55 years of age; (b) you have provided evidence satisfactory to us that any RPP from which assets were directly or indirectly transferred provided for retirement at your age; and (c) your spouse has provided consent in the form and manner required by pension legislation. Locked-in assets governed by pension legislation of a jurisdiction may not be commingled in your Plan with non-locked-in assets or locked-in assets governed by pension legislation of another jurisdiction. Where New Brunswick pension legislation governs your Plan, if the amount transferred to your Plan was determined in a way that differentiated based on your gender, amounts subsequently transferred to your Plan must have been differentiated on the same basis.

5. Investments: The investments held in your Plan must comply with the investment rules imposed by the Tax Act for an RPP. Where your Plan is a LIF governed by Manitoba pension legislation, your Plan may not directly or indirectly hold any mortgage if you or your spouse is the mortgagee or if the mortgagee is your parent, sibling or child or the spouse of any of those people.

6. Retirement Income: The assets of your Plan will be used to provide you with an income that will begin on or before December 31 of the second fiscal year of your Plan. In each calendar year, the amount of income you can receive (known as your "deferred benefit") from your Plan under your Declaration, if any direct transfers to the issuer of your RSP, RRIF or life annuity as defined in paragraph 15 (Transfers from your LIF, RLIF or LRIF to a Non-locked-in Plan) of this Locking-in Supplement, may not be less than the Minimum Amount or more than the Maximum Amount, except as otherwise permitted by this Locking-in Supplement. For the first fiscal year of your Plan, the Minimum Amount is zero. For each calendar year you must complete the forms and declarations that we provide and indicate on those forms the amount and frequency of payments to be made during the year, including any portion of the payment to be made in accordance with paragraph 8 (Increasing the Maximum Amount paid to a Young Annuitant) of this Locking-in Supplement. The amount that you specify may vary from year to year.

7. Calculation of Maximum Amount under a LIF, RLIF or LRIF: If your Plan is a LIF, RLIF or LRIF, the Maximum Amount for a year will not be less than the Minimum Amount and will be calculated as at the beginning of each year according to the formula and other rules in pension legislation and may be recalculated from time to time if permitted by pension legislation. For example:
   (a) if your Plan is a Federal LIF, RLIF or a Newfoundland and Labrador LIF, the Maximum Amount for a year will be calculated by dividing the value of the assets of your Plan at the beginning of that year by the value of a pension that makes a $1.00 annual payment at the beginning of each fiscal year up to and including the year in which you reach age 90. The value of the $1.00 annual payment will be established at the beginning of the fiscal year for a Newfoundland and Labrador LIF and on January 1 of the fiscal year in which the calculation is made for a Federal LIF or a RLIF. For a Newfoundland and Labrador LIF, the value of the $1.00 annual payment will be established (i) using an interest rate of not more than 6% or, an interest rate of more than 6% may be used for the first fifteen years after the valuation date if that rate does not exceed the rate obtained on long-term bonds issued by the Government of Canada for the Northwest Territories before the year of valuation, as computed by Statistics Canada and available from the Bank of Canada website as V122487 (formerly published in the Bank of Canada Review as CANSIM Series B-14013), and (ii) using a rate not exceeding 6% for subsequent years. For a Federal LIF or a RLIF, the value of the $1.00 annual payment will be established using an interest rate (ii) for the first fifteen years after January 1 of the year in which the Federal LIF or the RLIF (as the case may be) is established, that is less than or equal to the monthly average yield on Government of Canada marketable bonds of maturity over 10 years, as published by the Bank of Canada, for the second month before the beginning of the calendar year, and (iv) for any subsequent year, that is not more than 6%. The Maximum Amount under a Federal LIF or a RLIF for a year including or after the year you reach age 90 will be the value of the assets of your Plan immediately before a payment is made.
   (b) if your Plan is a Newfoundland and Labrador LIF, the Maximum Amount for a year will be the greatest: of (i) the income, gains and losses earned from the time your Plan was established to the end of its last completed fiscal year and with respect to any portion of your Plan that was directly derived from a LIF, the income, gains and losses earned by the LIF in its last complete fiscal year, less any income paid to you from your Plan; (ii) the income, gains and losses earned during the immediately previous fiscal year; and (iii) in the first or second fiscal year of your Plan, 6% of the fair market value of your Plan at the beginning of that fiscal year. If permitted or required by pension legislation: (a) the Maximum Amount for the first fiscal year of your Plan will be pro-rated over the number of months remaining in the year, with a part month counting as a full month; (b) if the assets of your Plan are derived from assets transferred directly or indirectly from a LIF or LRIF (as the case may be) subject to the requirement to pay the Minimum Amount, the Maximum Amount will be zero for the first fiscal year of your Plan or the fiscal year of transfer or the first fiscal year following that transfer, as required by pension legislation; and (c) the Maximum Amount for a year will be increased if you transfer assets to your Plan during that year that have never before been held in a LIF or LRIF or RRIF the increase is not more than the Minimum Amount paid to a Young Annuitant that would have applied if the assets had been transferred to a newly established LIF or LRIF.

8. Increasing the Maximum Amount paid to a Young Annuitant: Where Newfoundland and Labrador or Quebec pension legislation governs your Plan, we will make payments to you from your Plan which, in total, are greater than the Maximum Amount for a year after receiving your...
written application, in the form required by pension legislation, stipulating the number and amount of payments that you would like to receive if: (a) you were under 65 years of age at the beginning of the year in which the application is made; and (b) the amount requested is not greater than the maximum amount permitted by pension legislation. Your entitlement under this paragraph will be zero for a year if you were less than 54 years of age or more than 64 years of age at the beginning of the year unless Quebec pension legislation governs your Plan, in which case, we will make monthly payments if: (a) you provide us with a declaration, in the form required by pension legislation, that your expected income (exclusive of any retirement income from your Plan for the next 12 months; (b) your expected income, as stated in your declaration, is not less than 40% of the YMPF; (c) none of the monthly payments exceed one-twelfth of the difference between 40% of the YMPF and three-quarters of your expected income as stated in your declaration; (d) you undertake to promptly request us to suspend the payments as soon as your income equals 40% of the YMPF; and (e) you have not previously requested a suspension of monthly payments. Where Newfoundland and Labrador pension legislation governs your Plan, we will: (a) your application stipulates the amount of pension income that you expect to receive from LIFs, LRIFs, life annuities and RPPs (other than Canada Pension Plan Income) during the calendar year in which your application is made; (b) your expected pension income, as stated in your application, is less than 40% of the YMPF for the year; (c) your spouse has provided a waiver in the form and manner required by pension legislation; and (d) in the first fiscal year of your Plan, the maximum amount that may be paid under this paragraph and paid out over the number of months remaining in the year, with a part month counting as a full month.

9. Collapsing a Small LIF, RLIF or LRIF: If the total value of your Plan and such locked-in assets in other plans as prescribed by pension legislation does not exceed 50% of the YMPF for the year (or a lesser amount specified by pension legislation) and you have reached age 65 (or a lesser age specified by pension legislation), we will make a lump-sum payment from your Plan equal to the value of your Plan after receiving your request, signed declaration or attestation in the form and manner required by pension legislation and satisfactory evidence that all your pension plan assets are subject to a pension income guarantee, are in your income guarantee and are subject to a member's death benefit maximum of your Plan; or (b) transfer the assets of your Plan to the issuer of an RRSP, LIRA/Locked-in RSP, RLSP, LIF, RRIF or life annuity. Before transferring assets from your Plan, we will: (a) confirm that the issuer of the recipient plan is on the list of acknowledged financial institutions and the recipient plan is on the list of LRAs/Locked-in RSPs, RLSPs, LIFs, RRIFs or LRIFs if such list is maintained by the Superintendent of Pensions; (c) inform the issuer of the recipient plan of the locked-in or, for a transfer to a RRIF, the non-locked-in status of the assets being transferred and the pension legislation that governs the assets; and (d) ensure that the commitment of the issuer of the recipient plan is satisfied with the pension legislation that governs your Plan and use the proceeds on or before December 31 of that year to establish an immediate life annuity selected by us and we will not be liable for any resulting loss.

10. Collapsing Your LIF, RLIF or LRIF if you become a Non_Resident: Where Federal, New Brunswick, Newfoundland and Labrador or Ontario pension legislation governs your Plan, you may withdraw an amount from your Plan up to the lesser of the amount determined by the formula set out in the Federal pension legislation and 50% of the YMPF minus any amount withdrawn in the calendar year under this paragraph – from any LIF or RRIF (as the case may be) or under the corresponding financial hardship provisions of your Plan and use the proceeds on or before December 31 of that year to establish an immediate life annuity selected by us and we will not be liable for any resulting loss.

11. Reduced Income/Medical-Related Financial Hardship: If you claim a reduced income related hardship by virtue of a physical disability or, where contemplated by pension legislation, a terminal illness or mental disability that considerably reduces (or where Québec pension legislation governs your Plan, reduces) your life expectancy, (a) the amount to be withdrawn must be calculated on the assumption that you are not entitled to an additional amount by virtue of being at least 54 years of age but under 65 years of age. If your Plan is a RRIF and it is established in the calendar year in which you reach 55 years of age or in any subsequent calendar year, the assets of your Plan must be distributed within 10 1/2 years of the end of the year in which the Plan was created as the transfer of a pension benefit credit from an RRSP or a transfer from a LIRA/Locked-in RSP or a LIF, governed by Federal pension legislation; and (b) if you attest to us, in writing, as to the existence of a spouse (the spouse’s consent, where required), we will make payments under this paragraph.

12. Other Transfers from your Plan: Subject to any restrictions imposed by the Tax Act or pension legislation, all or any part of the assets of your Plan may be transferred to the issuer of an RPP, LIRA/Locked-in RSP, RLSP, LIF, RRIF, LRIF or life annuity. Before transferring assets from your Plan, we will: (a) confirm that the transfer is permitted under pension legislation and the Tax Act; (b) confirm that the recipient plan is on the list of acknowledged financial institutions and the recipient plan is on the list of LRAs/Locked-in RSPs, RLSPs, LIFs, RRIFs or LRIFs if such list is maintained by the Superintendent of Pensions; (c) notify the issuer of the recipient plan of the locked-in or, for a transfer to a RRIF, the non-locked-in status of the assets being transferred and the pension legislation that governs the assets; and (d) obtain the commitment of the issuer of the recipient plan that is satisfied with the pension legislation that governs your Plan. We will comply with any other requirement imposed by pension legislation.

13. Maturity of a LIF: If your Plan is a LIF governed by Newfoundland and Labrador pension legislation, any assets held in your Plan on December 31 of the year in which you reach the maximum age for maturity specified by pension legislation must be used to establish an immediate life annuity that conforms with the Tax Act and pension legislation. If we do not receive satisfactory instructions by June 30 of the year in which you reach the age of 65, we will use the assets of your Plan and use the proceeds on or before December 31 of that year to establish an immediate life annuity selected by us and we will not be liable for any resulting loss.

14. Life Annuity: Except for the life annuity referred to in paragraph 15 (Transfers from your LIF, RRIF or a NonLocked-in Plan) of this Locking-in Supplement, a life annuity established with the assets of your Plan must comply with pension legislation in addition to the rules imposed by the Tax Act. A life annuity established with the assets of your Plan must be established by an individual whose life expectancy is greater than the age of the individual whose life expectancy is greater than the maximum amount that may be transferred in any fiscal year from your Plan to the issuer of your RRSP, RRIF, LRIF or life annuity. Before transferring assets from your Plan, we will: (a) confirm that the transfer is permitted under pension legislation and the Tax Act; (b) confirm that the recipient plan is on the list of acknowledged financial institutions and the recipient plan is on the list of LRAs/Locked-in RSPs, RLSPs, LIFs, RRIFs or LRIFs if such list is maintained by the Superintendent of Pensions and (c) notify the issuer of the recipient plan of the locked-in or, for a transfer to a RRIF, the non-locked-in status of the assets being transferred and the pension legislation that governs the assets; and (d) obtain the commitment of the issuer of the recipient plan that is satisfied with the pension legislation that governs your Plan. Where Québec pension legislation governs your Plan, on one occasion during your lifetime, you may transfer an amount (in addition to and separate from the Maximum Amount) from your Plan or another LIF of yours to your RRIF if: (a) you obtain the written approval of the New Brunswick Superintendent of Pensions; and (b) the amount is no more than the lesser of: (i) 3 times the Maximum Amount for the fiscal year; and (ii) the maximum amount that may be transferred in any fiscal year from your Plan to the issuer of your RRSP, RRIF, LRIF or life annuity. Where Federal, Ontario or Quebec pension legislation governs your Plan, on one occasion during your lifetime, you may transfer an amount (in addition to and separate from the Maximum Amount) from your Plan or another LIF of yours to your RRIF if: (a) you obtain the written approval of the New Brunswick Superintendent of Pensions; and (b) the amount is no more than the lesser of: (i) 3 times the Maximum Amount for the fiscal year; and (ii) the maximum amount that may be transferred in any fiscal year from your Plan to the issuer of your RRSP, RRIF, LRIF or life annuity. 22. Other Payments or Transfers: We will make a lump sum or series of payments or transfers from your Plan not otherwise provided for in this Locking-in Supplement but only in the manner and to the extent specifically permitted by pension legislation and only after receiving your request and any documents and information required by us and pension legislation.

23. Payments or Transfers made Contrary to Pension Legislation: Where Manitoba or Saskatchewan pension legislation governs your Plan, if assets are paid out of your Plan contrary to pension legislation or are transferred out of your Plan contrary to paragraph 16 [Other Transfers from your Plan] of this Locking-in Supplement, we will ensure that you receive a pension in an amount and if required by pension legislation, in a manner that would have been provided if the assets had not been transferred or paid out of your Plan. Where Quebec pension legislation governs your Plan, if the total payments made to you during a fiscal year of your Plan are more than the amounts permitted to be paid under your Plan or pension legislation, upon receipt of your request, we will pay to your Plan an amount equal to the surplus payment unless the surplus payment is attributable to a false statement made by you.

24. Fiscal Year: The fiscal year of your Plan will end on December 31 of each year and may not exceed 12 months.

25. Valuation: On any given day, the value of your Plan will be determined based on the value of the assets owned by your Plan at the close of business on that day net of any fees or expenses properly chargeable to your Plan.

Assignment and Seizure: The assets of your Plan and payments from your Plan may not be assigned, charged, alienated, anticipated, given as security or subject to execution, seizure or attachment except as permitted by the Tax Act and pension legislation. A transaction that is contrary to this paragraph is void.

28. Amendments: From time to time we may amend the Declaration (including this Locking-in Supplement) provided that the amendment does not disqualify your Plan as a LIF, RLIF or S/LRIF, as applicable, and, if required by law, the amendment is approved by the authorities administering the Tax Act and pension legislation. Where New Brunswick, Newfoundland and Labrador, Nova Scotia or Ontario pension legislation governs your Plan, no amendment will be made that will reduce your benefits under your Plan unless the amendment is required to cause your Plan to comply with the law. Amendments that do not reduce your benefits but are required to ensure that your Plan continues to comply with the law will be effective without notice, unless Newfoundland and Labrador or Nova Scotia pension legislation governs your Plan. Any other amendment will be effective not less than 30 days (or 90 days where required by pension legislation) after notice has been provided to you. Where required by pension legislation, you will also be provided with notice of your entitlement to transfer assets out of your Plan. Where Newfoundland and Labrador pension legislation governs your Plan, notice will be sent by registered mail.

   B = the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF, to the LIF, in the same year
   D = the factor in Schedule 6: Life Income Fund—Temporary Income Factor D that corresponds to the owner’s age at the end of the previous fiscal year.

(2) If the amount determined under clause (1)(b) is less than 50% of the Year’s Maximum Pensionable Earnings, the maximum temporary income paid out of a LIF during a fiscal year must be the lesser of the following amounts:
(a) the amount calculated under clause (1)(a);
(b) the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF to the LIF in the same year.

Maximum life income withdrawal from LIFs
11 The maximum life income to be paid from a LIF from which a temporary income is paid is determined by the following formula, provided that the maximum must not be less than zero:
maximum payable = (F x B) - (Y ÷ D)
in which
F = the factor in Schedule 5: Life Income Fund—Factor F that corresponds to the reference rate for the fiscal year and the owner’s age at the end of the previous year
B = the balance of the LIF at the beginning of the fiscal year, increased by any money transferred to the LIF after the beginning of that fiscal year and reduced by any money transferred from another LIF, to the LIF, in the same year
D = the factor in Schedule 6: Life Income Fund—Temporary Income Factor D that corresponds to the owner’s age at the end of the previous year.

Maximum annual income payable if financial institution guarantees rate of return of LIFs
12(1) If a financial institution that provides a LIF guarantees the rate of return of the LIF over a period greater than 1 year and the owner establishes the amount of income to be paid during that period, the maximum income that may be paid during each of the fiscal years during the period must be determined at the beginning of each fiscal year in the period in accordance with this Section.

(2) For each year after the initial fiscal year, the maximum income to be paid for the fiscal year under a LIF described in subsection (1) is equal to the lesser of the following amounts:
(a) the balance of the LIF at the time of payment in that year;
(b) the amount determined by the following formula:
   maximum income = (I x B) ÷ RB
   in which
   I = the maximum income determined for the initial fiscal year under Section 11 of this Schedule
   B = the balance of the LIF at the beginning of the fiscal year
(3) For the formula in clause (2)(b), the reference balance ("RB") must be calculated by the following formula:

\[ RB = \frac{(PRB - I) \times RR}{100} \]

in which

- PRB = the reference balance
- I = the maximum income determined for the initial fiscal year
- RR = the reference rate for the year, if the fiscal year is one of the first 16 fiscal years of the LIF, or by 6% for any other year.

Income in excess of maximum

13 If income paid to an owner under a LIF during a fiscal year exceeds the maximum that may be paid, the balance of the LIF must not be reduced by the excess unless the payment attributable to the excess is irrevocably paid into another financial institution or transferred out of the LIF in accordance with subsection 15(6) of this Schedule.

Information to be provided annually by financial institution

14 At the beginning of each fiscal year, a financial institution providing a LIF must provide all of the following information to an owner about their LIF:

(a) with respect to the previous fiscal year:
   - (i) the sums deposited;
   - (ii) any accumulated investment earnings including any unrealized capital gains or losses;

   - (e) for a LIF that provides for temporary income, and the owner was at least 54 years old but under 65 years old at the end of the previous year,
     - (i) how the owner may apply for temporary income to be paid to them after they turn 55 years old, and
     - (ii) a statement that payment of temporary income will reduce the income that would otherwise be paid to the owner after age 65;
   - (f) a statement that the maximum amount of income that may be paid to the owner during the fiscal year will not be increased if any assets held in another LIF during the year are transferred to the LIF;

   - (h) a statement that if the owner wishes to transfer the balance of the LIF, in whole or in part, and still receive the income determined for the fiscal year from the LIF, then an amount must be retained in the LIF that is at least equal to the difference between the income determined for the fiscal year and the income already received from the LIF since the beginning of the fiscal year;
   - (i) a statement that if the owner dies before the balance in the LIF is used to purchase a life annuity contract or is transferred under Section 15 of this Schedule, then the financial institution must provide the owner's spouse or beneficiary or the personal representative of their estate with the information required to be provided annually under clauses 14(a) to (h) of this Schedule, determined as of the date of the transfer or annuity purchase.
