If there is any inconsistency between the provisions of the Alberta LIRA Addendum, the British Columbia LIRA Addendum or the Nova Scotia LIRA Addendum and the other provisions of this Locking-in Supplement, the provisions of the Alberta LIRA Addendum, the British Columbia LIRA Addendum or the Nova Scotia LIRA Addendum will apply. 3. **Purpose:** We will hold contributions accepted by us for your Plan, investments made with those amounts and any income and capital gains realized in respect of those investments in trust for the purposes of providing you with a pension in accordance with the Tax Act and pension legislation.

4. **Contributions to your Plan:** The only assets that may be contributed to your Plan are locked-in assets transferred directly or indirectly from an RPP; if permitted by pension legislation a LIRA/ Locked-in RSP, RLSP, LIF, RLIF, PRRIF or LRIF; a life annuity the capital of which originated from an RPP; or another source permitted by the Tax Act and pension legislation from time to time. 5. **Investments:** The investments held in your Plan must comply with the investment rules imposed by the Tax Act for an RRSP. Where Manitoba or Newfoundland and Labrador pension legislation governs your Plan, your Plan may not directly or indirectly hold any mortgage if you or your spouse is the mortgagor or if the mortgagor is your parent, sibling or child or the spouse of any of those people.

- (a) a payment is made to reduce taxes otherwise payable under Part X.1 of the Tax Act;
- (b) you withdraw all of the assets of your Plan in circumstances permitted by pension legislation;
- (c) you are subject to a disability or terminal illness that considerably reduces your life expectancy;
- (d) a payment is made to effect a division of assets upon relationship breakdown or in satisfaction of an order for support or maintenance;
- (e) the assets of your Plan are transferred to an RPP, LIRA/Locked-in RSP, RLSP, LIF, RLIF, PRRIF or LRIF or are used to establish a life annuity;
- (f) a payment is made after your death; or

Any transaction that is contrary to this paragraph is void. We will endeavour to make any requested payment or transfer within 30 days after receiving satisfactory instructions and any other documentation that we consider necessary.

7. **Refunds:** We will make payments pursuant to paragraph 8 [Withdrawals and Refunds] of the Declaration to reduce taxes otherwise payable under Part X.1 of the Tax Act. Where New Brunswick pension legislation governs your Plan, the payment (less taxes required to be withheld) will be deposited into a sub-account of your Plan. The sub-account will not be an RRSP.
8. **Collapsing a Small LIRA/Locked-in RSP or RLSP:** If the total value of your Plan and such locked-in assets in such other plans as prescribed by pension legislation does not exceed 50% of the YMPE for the year (or a lesser amount specified by pension legislation) and you have reached age 65 (or a lesser age specified by pension legislation), we will make a lump-sum payment from your Plan equal to the value of your Plan after receiving your request, signed declaration or attestation in the form and manner required by pension legislation and satisfactory evidence that all the necessary conditions stipulated by pension legislation are satisfied.
9. **Collapsing your Plan after you become a Non-resident:** Where Federal, New Brunswick, Ontario or Quebec pension legislation governs your Plan, we will make a lump-sum payment to you from your Plan equal to the value of your Plan after receiving: (a) your request; (b) any document or information required by pension legislation; (c) satisfactory written evidence that the Canada Revenue Agency has determined that you (and where New Brunswick pension legislation governs your Plan, your spouse) are a non-resident of Canada for the purposes of the Tax Act; (d) where New Brunswick pension legislation governs your Plan, satisfactory written evidence that you and your spouse, if any, are not Canadian citizens; and (e) where New Brunswick or Ontario pension legislation governs your Plan, a waiver from your spouse in the form required by pension legislation. Where Federal, Ontario or Quebec pension legislation governs your Plan, we will not make the payment until you have been absent from Canada for at least two years.
10. **Shortened Life Expectancy:** We will make a lump-sum or series of payments to you from your Plan, but only to the extent and in the manner permitted by pension legislation, after receiving: (a) a request; (b) a medical certificate signed by a physician certifying that you are subject to a physical disability or, where contemplated by pension legislation, a terminal illness or mental disability, that considerably reduces (or where Québec pension legislation governs your Plan, reduces) your life expectancy; (c) where Ontario pension legislation governs your Plan, the medical certificate certifies that your illness or physical disability is likely to reduce your life expectancy to less than 2 years; (d) where Manitoba, New Brunswick, Newfoundland and Labrador, Ontario or Saskatchewan pension legislation governs your Plan, a waiver from your spouse in the form and manner required by pension legislation; and (e) any other document or information required by pension legislation.
11. **Low Income/Medical-Related Financial Hardship:** If Federal pension legislation governs your Plan, you may withdraw an amount (federal) from your Plan up to the lesser of the amount determined by the formula set out in the Federal pension legislation and 50% of the YMPE minus any amount withdrawn in the calendar year under this paragraph – from any LIRA/Locked-in RSP or RLSP (as the case may be) – or under the corresponding financial hardship provisions of your LIRA/Locked-in RSP, LIF, RLSP or RLIF (where applicable) if
 - (a) you certify that you have not made a withdrawal in the calendar year under this paragraph – from any LIRA/Locked-in RSP or RLSP (as the case may be) – or under the corresponding financial hardship provisions of your LIRA/Locked-in RSP, LIF, RLSP or RLIF (where applicable) other than within the last 30 days before such certification,
 - (b) you attest to us, in writing, as to the basis for the financial hardship withdrawal and as to the existence of a spouse (and the spouse's consent, where required), in the forms and manner required by Federal pension legislation; and
 - (c) you provide us with such other certifications as required by the Federal pension legislation.
12. **Financial Hardship (Ontario):** If Ontario pension legislation governs your Plan, you may withdraw, upon an application to us in the prescribed form and manner together with all other documents as required by Ontario pension legislation, an amount from your Plan for reasons of financial hardship relating to medical expenses, rental or mortgage arrears relating to your principal residence, payment of first and last months' rent of your principal residence or low income (all as described in Ontario pension legislation) or such other financial hardship circumstances as may be provided by Ontario pension legislation. The amount to be withdrawn is subject to a minimum amount and a maximum amount prescribed by Ontario pension legislation. An application that meets all the applicable requirements of Ontario pension legislation constitutes authorization to us to make the payment or transfer from your Plan pursuant to the application and in accordance with Ontario pension legislation.
13. **Spousal Payments after Relationship Breakdown:** The assets of your Plan may be subject to division under family law and pension law. After receiving satisfactory evidence of entitlement and confirmation that a payment is not prohibited by pension law, a payment or payments will be made out of your Plan but only to the extent and in the manner permitted by law: (a) to effect a division of assets provided the payment is made pursuant to applicable marital property legislation; or (b) pursuant to an execution, seizure, attachment or other process of law in satisfaction of an order

for support or maintenance. Within the limits permitted by pension legislation, we may deduct from your Plan our cost of complying with an order for support or maintenance.

14. **Spousal Entitlement after Relationship Breakdown:** Your spouse's entitlement to survivor benefits under your Plan will end upon divorce or annulment (and where Québec pension governs your Plan, nullity or dissolution of a civil union) unless: (a) your spouse is named as a beneficiary of your Plan; (b) Manitoba pension legislation governs your Plan and your spouse has not received his or her entitlement from your Plan and has not opted out in the manner required by that legislation; or (c) Quebec legislation governs your Plan and you have notified us that the payment of a life annuity to your spouse will continue despite the relationship breakdown. Your spouse's entitlement to survivor benefits under your Plan may end upon separation.
15. **Transfers from your Plan:** Subject to any restrictions imposed by the Tax Act or pension legislation, all or any part of the assets of your Plan may be transferred to the issuer of an RPP or life annuity or, if permitted by pension legislation, a LIRA/Locked-in RSP, RLSP, LIF, RLIF, PRRIF or LRIF. Before transferring assets from your Plan, we will: (a) confirm that the transfer is permitted under pension legislation and the Tax Act; (b) confirm that the issuer of the recipient plan is on the list of acknowledged financial institutions and the recipient plan is on the list of LIRAs/Locked-in RSPs, RLSPs, LIFs, RLIFs or LRIFs if such a list is maintained by the Superintendent of Pensions; (c) notify the issuer of the recipient plan of the locked-in status of the assets being transferred and the pension legislation that governs the assets; and (d) obtain the commitment of the issuer of the recipient plan to administer the transferred assets according to pension legislation. We will comply with any other requirement imposed by pension legislation.
16. **Maturity:** Any assets held in your Plan on December 31 of the year in which you reach the maximum age for maturity specified by the Tax Act or an earlier age if specified by pension legislation must be used to establish a life annuity that conforms with the Tax Act and pension legislation. If we do not receive satisfactory instructions by September 30 of that year, you will be deemed to have instructed us to transfer the assets of your Plan on or before December 31 of that year to a LIF, LRIF or life annuity selected by us and we will not be liable for any resulting loss.
17. **Life Annuity:** A life annuity established with the assets of your Plan must comply with pension legislation in addition to the rules imposed by the Tax Act. A life annuity established with the assets of your Plan must be established for your life. However, if you have a spouse on the date payments under the life annuity begin, the life annuity must be established for the life of the survivor of you and your spouse unless a spousal waiver has been provided in the form and manner required by pension legislation and has not been revoked. Your spouse's right to a life annuity as your survivor may be waived (and the waiver may be revoked) in the form and manner stipulated by pension legislation. Payments under the life annuity may not begin before the earliest date permitted by pension legislation. If your spouse is entitled to payments under the life annuity after your death, those payments must be at least 60 percent (or where Manitoba pension legislation governs your Plan, 66 2/3 percent) of the amount to which you were entitled before your death. The life annuity may not differentiate based on your gender except to the extent permitted by pension legislation. Where Quebec pension legislation governs your Plan, the equal periodic payments under the life annuity may be uniformly increased because of an index or a rate provided for in the contract and that conforms with the adjustments permitted by the Tax Act or may be uniformly adjusted because of (a) a seizure of the assets of your Plan; (b) a redetermination of your pension; (c) the division of assets of your Plan with your spouse after relationship breakdown; (d) the payment of a temporary pension as provided for in section 91.1 of pension legislation; or (e) an election under subsection 93(3) of pension legislation relating to payments after your death.
18. **Beneficiary Designation:** The designation of a person other than your spouse as the beneficiary of your Plan will not be valid if you have a spouse who is entitled to survivor benefits under your Plan because of pension legislation. Your spouse's right to be the beneficiary of your Plan may be waived (and the waiver may be revoked) in the form and manner stipulated by pension legislation.
19. **Death:** Following your death, the assets of your Plan will be paid to the person who was your spouse on the date of your death or will be used to provide that person with a pension unless that person is not entitled to survivor benefits under pension legislation. If pension legislation permits or requires that person to receive survivor benefits in a form other than a lump-sum payment, that person may instruct us to transfer the assets of your Plan to the issuer of an RRSP, LIRA/Locked-in RSP, RLSP, RRIIF, LIF, RLIF, PRRIF, LRIF or life annuity as permitted by pension legislation and the Tax Act. If you did not have a spouse on the relevant date or if your spouse is not entitled to survivor benefits under pension legislation, the assets of your Plan will be paid to your designated beneficiary, if that person was living at the date of your death and if not, to your legal representatives. The assets of your Plan will be paid out of your Plan within 60 days after we receive all releases and other documents that we request. If we have not received satisfactory instructions by that date, we may transfer the assets of your Plan as permitted or required by pension legislation and we will not be liable for any resulting loss.
20. **Other Payments and Transfers:** We will make a lump sum or series of payments or transfers from your Plan not otherwise provided for in this Locking-in Supplement but only in the manner and to the extent specifically permitted by pension legislation and only after receiving your request and any documents and information required by us and pension legislation.
21. **Valuation:** If your Plan is governed by Federal pension legislation, on any given day, the value of your Plan will be determined based on the value of the assets owned by your Plan at the close of business on that day net of any fees or expenses properly chargeable to your Plan.
22. **Payments or Transfers made Contrary to Pension Legislation:** Where Manitoba, Newfoundland and Labrador or Saskatchewan pension legislation governs your Plan, if assets are paid out of your Plan contrary to pension legislation or are transferred out of your Plan contrary to paragraph 14 [Transfers from your Plan] of this Locking-in Supplement, we will ensure that you receive a pension in an amount and if required by pension legislation, in a manner that would have been provided if the assets had not been transferred or paid out of your Plan. Where Quebec pension legislation governs your Plan, if assets are paid out of your Plan contrary to the Declaration or pension legislation, upon receipt of your request, we will pay to you an amount equal to the irregular payment unless the irregular payment was attributable to a false statement made by you.
23. **Assignment and Seizure:** The assets of your Plan may not be assigned, charged, alienated, anticipated, given as security or subjected to execution, seizure or attachment except as permitted by the Tax Act and pension law. A transaction that is contrary to this paragraph is void.

24. **Amendments:** From time to time we may amend the Declaration (including this Locking-in Supplement) provided that if the amendment does not disqualify your Plan as a LIRA/Locked-in RSP or RLSP and, if required by law, the amendment is approved by the authorities administering the Tax Act and pension legislation. Amendments that do not reduce your benefits but are required to ensure that your Plan continues to comply with the law will be effective without notice. Any other amendment will be effective not less than 30 days (or 90 days where required by pension legislation) after notice has been provided to you. Where required by pension legislation, you will also be provided with notice of your entitlement to transfer assets out of your Plan.
