Why Invest in this pool?

- Provides exposure to sectors in the U.S. that are under-represented in Canada, such as information technology, health care and consumer discretionary.
- Exposure to U.S. equities that aims to generate returns comparable to the market over a business cycle, while helping to minimize the impact of market corrections.
- Tax efficiency options for building wealth through a corporate class version, and for generating a monthly cash flow with an annual 5% fixed rate distribution paid monthly.
