Why Invest in this fund?

- Seeks to invest in fixed income and equity securities anywhere in the world by selecting from companies and countries that are willing to engage in or have incorporated strategies to improve environmental, social, or governance factors (ESG).
- Integration of ESG factors into investment analysis aims to generate competitive risk-adjusted returns while supporting societal or environmental change.
- Mackenzie Fixed Income Team and equity sub-advisor Rockefeller Asset Management are two strong teams partnering together to provide a balanced SRI investment solution.

Risk Tolerance

LOW	MEDIUM	HIGH
-----	---------------	------

* Effective June 1, 2022, the redemption charge purchase option, and the low-load purchase option are no longer available for purchase, including those made through systematic purchase plans such as pre-authorized contribution plans. Switching from securities of a Mackenzie Fund previously purchased under the redemption charge or low-load purchase options to securities of another Mackenzie Fund, under the same purchase option, will continue to be available until such redemption schedules expire.

** The blended index is composed of 50% MSCI AC (All Country) World and 50% BofA Merrill Lynch Global Broad Market (Hedged to CAD).

*** The major holdings of the Fund may, but do not necessarily, represent the largest holdings of the Fund. Rather, the major holdings are selected for their overall significance in evaluating the investment portfolio.

**** Credit ratings and rating categories are based on ratings issued by a designated rating organization.
