Due date for final returns and balance owing for deceased individuals

Period when death occurred	Due date for the return
January 1 to October 31	April 30 of the following year
November 1 to December 31	Six months after the date of death

If the deceased or the deceased's spouse or common-law partner was self-employed, the following due dates for final returns are as follows:

Period when death occurred	Due date for the return
January 1 to December 15	June 15 of the following year
December 16 to December 31	Six months after the date of death

* Any balance owing would still be due April 30th of the year after death or six months after death if death occurred between November 1 and December 31.

RRSP and RRIF at death

The deceased is deemed to have received the fair market value of all property held in a Registered Retirement Savings Plan (RRSP) or Registered Retirement Income Fund (RRIF) at the date of death. No amount is included in the deceased's income if the designated beneficiary or heir is an "eligible beneficiary" and certain conditions are met. An eligible beneficiary who acquires rights in an RRSP or an RRIF has several options for deferring the income tax on those amounts.

The following table summarizes the rules:

Heir/Beneficiary	Amount taxable at death	Transferable to: ¹	
		RRSP/RRIF	Annuity
Spouse	Nil ¹	Yes	Yes
Child or grandchild financially dependent because of an infirmity	Nil ¹	Yes	Yes
Child or grandchild financially dependent not because of an infirmity	Nil ¹	Yes	Yes ²
Other	FMV	No	No

1 Certain terms and conditions may apply.

2 The annuity may provide for payments for a period of not more than 18 years, less the age of the child or grandchild when the annuity is purchased. Annuity payments must start no later than one year after the purchase.

Transfer from an RRSP or RRIF to an RDSP

It is possible to transfer funds held in RRSP or an RRIF at the time of death to a Registered Disability Savings Plan (RDSP) of a child or grandchild who was financially dependent on the deceased because of a mental or physical disability. However, the amount transferred must not exceed the beneficiary's RDSP contribution room of \$200,000, and is not eligible for the Canadian Disability Savings Grant/Bond.

Transfer from RRSP or RRIF to a Lifetime Benefit Trust

Lifetime Benefit Trust

Section 60.011 of the Income Tax Act ("ITA") of Canada provides for the creation of a Lifetime Benefit Trust (LBT), which is a discretionary testamentary trust that is funded by the tax deferred proceeds of a registered plan (RRSP, RRIF, PRPP, RPP or SPP). The LBT is required by the ITA to use the registered plan proceeds to purchase a Qualifying Trust Annuity ("QTA") for the sole benefit of a mentally infirm spouse/common law Partner of the deceased or the mentally infirm and dependent child or grandchild of the deceased. The QTA must either be for the lifetime of the beneficiary of the trust or for a fixed term equal to 90 years minus the age of the sole beneficiary of the LBT.
